

Why Preventive Care Plans?

Preventive Care Plans provide preventive veterinary services for one year, with the cost divided into 12 affordable monthly payments. You can upgrade your plan as your pet ages.

All plans include:

- Preventive care examinations and core vaccines.
- A copay examination fee on scheduled visits.
- Additional discounts on eligible items not included in the plan.

At Pell City Animal Hospital, we look forward to helping you provide your pet with the best possible care at every stage of life. Preventive Care Plans help us make that care more affordable and convenient for you.

Ask one of our team members about Preventive Care Plans and which plan is right for your pet.

Preventive Care Plans overview

Every pet has a unique set of needs. At Pell City Animal Hospital we offer an array of Preventive Care Plans to choose from and our team is here to ensure you select the plan best suited to meet your pet's needs.

What's even better, Preventive Care Plans are good for your pet and your wallet.

Our adult plans

Essential includes an annual preventive care examination, core vaccine boosters and basic laboratory tests necessary to help protect pets against illness and disease.

Optimal is our most comprehensive plan, which ensures we're looking at the types of diseases and conditions that can affect pets in all stages of their lives. This plan also includes our routine dental cleaning package.

Basic dental cleaning package includes:

- Pre-anesthetic examination
- IV catheter & fluids
- Anesthesia
- Vital sign monitoring
- Dental scaling
- Polishing of all teeth
- Fluoride treatment
